Before you finish

- ☐ Request registered names or identifiers for both parents.
- ☐ Ask which health tests were completed, when, and where results can be checked.
- ☐ Distinguish a breeder's claim from a document you have reviewed.
- ☐ Ask about puppy raising, handling, and matching to a household.
- ☐ Review the contract, support, and return arrangements.
- ☐ Discuss timing, visits, deposit terms, and the full purchase price.
- ☐ Write down unanswered questions before deciding.

This worksheet organizes evidence; it does not certify or rank breeders. A completed testing program is not a guarantee that a puppy will be free of health conditions.
