

Doodle sitter pack

Turn the routine in your head into a handoff for a sitter, friend, or family member.

Fill this PDF in a compatible PDF reader, or print it and write by hand. Save a copy to keep your answers.

Dog's name

Care dates

Owner contact and backup contact

Veterinarian and emergency clinic contacts

Food, amount, timing, and storage location

Rest, breaks, walks, and usual routine

Commands, cues, and rewards

Doodle sitter pack

Comfort, handling, and known triggers

Written care instructions

Include only current instructions from the owner or veterinarian; do not improvise medication directions.

Permissions and emergency arrangements

What should the sitter do if they cannot reach you?

Where supplies are kept

Before you finish

- ☐ Confirm contacts and care dates.
- ☐ Walk through the routine together.
- ☐ Show the sitter the equipment and supply locations.
- ☐ Confirm which outings and introductions you have agreed to.
- ☐ Leave current written veterinary instructions when applicable.
- ☐ Agree on check-ins and emergency arrangements.

Keep contact details private. Downloads may contain personal information; share them directly with the person caring for your dog.
